DICK DESCHRIVER INVITATIONAL

DEDICATION

Morris County Track Athletes enjoy perhaps one of the finest Winter Track Programs in the State. This is due in a large part to the efforts of Dr. Dick DeSchriver, of East Stroudsburg University.

In 1975, the County Coaches Association, in an effort to upgrade the Winter Track Program, sought the aid of Dr. DeSchriver to secure the use of the East Stroudsburg facility.

That year the Association staged two Championships. Those two meets have now expanded to include two girls Championships and five Invitationals. In addition, the Iron-Hills Conference began using the facility in 1983 to stage their annual winter championship.

Dr. DeSchriver coached at East Stroudsburg for over 20 years. He has produced NCAA Division II All-Americans in both Cross Country and Track. His teams consistently posted winning records and were contenders for conference and regional honors.

Besides the extensive work Dick has performed for Morris County, under his direction ESSU became a center for Track activities, with summer all-comer meets, the Pocono Mini-Marathon, the Pocono Decathlon, the ESSU Invitational and numerous other events.
