SPECIAL THANKS

Special thanks to Mike O'Brien and Bill McDermott from Wilson Sporting Goods and the New Jersey Scholastic Coaches Association for their generous donations to this annual Hall of Fame Induction program.

The committee also wishes to remember Abner West, Anthony Cotoia, Michele Miller, and Bob Sterling for their service and contributions to NJICA and NJSCA.

HALL OF FAME HISTORY

In 1961, the New Jersey Interscholastic Coaches Association honored all football coaches with undefeated seasons.

In 1964, the NJICA honored coaches of all sports, past or present, who had been nominated from their county by their peers.

Then in 1983, the honor award program was renamed as the NJICA "Hall of Fame" and included all past honorees.

In 1995, the New Jersey Scholastic Coaches Association assumed the sponsorship of the Hall of Fame, for all head varsity coaches in the public and non-public NJSIAA member schools.

When you consider that there are 434 public, non-public and independent secondary schools in New Jersey for the 2020-2021 school year, sponsoring approximately 7,500 varsity teams, requiring that number of head coaches – then it has to be a distinct honor to have been selected by your peers for membership in the New Jersey Scholastic Coaches Association "Hall of Fame."

"Reputation is what you're perceived to be. Character is what you really are."

– John Wooden, College Basketball Coach

NEW JERSEY SCHOLASTIC COACHES ASSOCIATION

It took many years of planning, but the New Jersey Scholastic Coaches came into existence and began accepting new members as of September 1, 1994.

The new Association owes much of its heritage to the Executive Committee of the NJICA, headed by Abner West, including Jay Dakelman, Dom Cuccinello, and Bob Sterling as a means of perpetuating the finest ideals in coaching.

Our goal is to expand these ideals to reach all coaches in the State. It is also our aim to continue the fine ideals of the NJICA, which included the Hall of Fame, and its awards.

IN MEMORIAM ROBERT M. STERLING

The NJSCA lost one of its founders this year when Bob Sterling passed away on April 8, 2020 at age 100. Bob was instrumental in the creation of today's New Jersey State Coaches Association Hall of Fame, as well as a respected figure in the New Jersey athletic circle for more than a half-century. His career included coaching three sports at Rutgers and officiating basketball games throughout the Western Hemisphere. He was also a starting player on one of the country's winningest but least-known college basketball teams, and he finished up his career as Piscataway High School's first athletic director, a job he held for 30 years.

Bob was born in Newark on Aug. 6, 1918, the only son of Praxeda and Milford Hugh Sterling. He graduated in 1936 from Newark's West Side H.S., where he was the starting first baseman on the school's baseball team, before enrolling at Panzer College of Physical Education and Hygiene in East Orange (now Montclair State University) and earning his bachelor's degree.

He was the defensive stalwart on the famed Panzer basketball team that won 44 games in a row in the late 1930s, setting a national collegiate record in the process. Four of his teammates later played pro basketball in leagues that pre-dated the NBA. He also played soccer and was a first baseman and pitcher on the Panzer baseball team, once winning five games in a span of 10 days and pitching a no-hit game in 1938.

Right after college, Bob entered the military and spent more than four years during World War II in the U.S. Army Corps, where he rose to the rank of first lieutenant while overseeing physical training programs for pilots at a series of airfields in the South.

After his discharge in 1946, he was hired as an assistant professor of physical education at Rutgers University in New Brunswick and also served as the school's assistant baseball, basketball and soccer coach.

In his dozen years at Rutgers, he coached six members of the school's Athletic Hall of Fame on freshmen or jayvee teams, three of whom were also All-Americans. Bob's favorite team was his 1950-51 freshmen basketball team that won 11 games and lost only three.

While at Rutgers, he also earned a master's degree in education.

Bob left Rutgers for Piscataway when the high school opened in 1957, and he stayed involved in New Jersey schoolboy athletics until his retirement in 1986 and beyond. He also taught for many years as an adjunct at the Rutgers School of Education.

Bob was well-known as a basketball referee, officiating high school and

college games in the metropolitan area for 25 years as well as three Pan-American Games, the South American Games and the Central American Basketball Championships.

During his career, he served as chairman of the National Council of State High School Coaches Association; president of the National Interscholastic Athletic Administrators Association; president of the New Jersey Interscholastic Coaches Association; president of the North Jersey Board of Approved Basketball Officials, and president of the Middlesex County Athletic Directors Association.

In addition, he was one of the founders of the New Jersey State Coaches Association Hall of Fame, the state's all-star high school basketball game and the Mid-State Conference, and he also served on the executive committee of the New Jersey State Interscholastic Athletic Association (NJSIAA).

He is a member of the NJSIAA Hall of Fame along with the Panzer College and City of Newark athletic halls of fame.

Bob was also the longtime director of the Rutgers Prep Basketball Camp, one of the first summer basketball camps for high school players in the country, as well as the announcer at New Jersey's state high school track and field championships for many years.

Bob was a member of the board of education and recreation commission in Dunellen.

All of the quotes you see in this program were selected by Bob. He loved high school sports and loved what sports can do for people. He was still involved in the NJSCA well in to his 90s because it was such an important part of his life.

He is survived by two sons, Robert Jr. and Guy (and his partner Maria Dios); four grandchildren, and seven nieces and nephews.
