MEET INFORMATION: The Athletic Performance Ranch celebrates and embraces the rustic nature of a working Central Texas ranch. The course reflects a true "cross country" endeavor. The gates open at 5:30 am for buses and team cars. Spectators are invited to arrive after 6:15 am. Spectator and team bus/car follow different directions and park in different locations. Please see Athletic.net for directions.

THINGS TO CONSIDER:

1. The parking area and most of the course is created by mowed prairie grass and shrubs. We recommend closed-toed shoes for spectators.
2. For runners and spectators with allergies, this would not be the day to skip your allergy medication.
3. All ponds, corrals, and ranch buildings are off-limits.
4. Please do not use the sand volleyball courts or the turf field. These are reserved for athletes who train for these sports.
5. We will have food concessions during the meet.
