Awards: The top three runners in each category will earn a medal; fourth through tenth place will earn ribbons. **There will be no award ceremony.** Runners will receive awards at the next event.

Make sure your rosters are current for the 2020 Cross Country Season, and then you can click on the **Register Online Now** at the page above. If you need more detailed instructions on how to use MileSplit, let us know and we can help out.

RMCA will pre-print tags and place them on race bibs that will be handed out in the team race packets on check-in. Registration will close at 6:00pm the night before the meet so that we can process all the entries and get the race bibs ready. You can make “race day” changes after that point, but if you have any other race-day changes, you will need to make sure and come early to the meet to get those squared away. Any changes will be limited to athletes on the MileSplit Rosters, so make sure those are complete. **Make sure**

the name tag on the bib matches the runner!

Places and times will be recorded at the finish line using the name tag labels from the tear-off section of the bibs, and the corresponding time from the master timer. Results will be posted on milesplit that night. If you have any questions or issues with milesplit please let us know.
