

CCAL @ Peyton [B]

Tuesday, September 22nd 2020

We will be running each race in two waves of 25, separated by 2:00 starts. We will keep teams together for this first race, as we don't have any seed times.

Boys [B] Race 4:30 (Run 5, Score 4) – Wave 1 – Top 5 teams from prior B-Race.

Followed by Wave 2 (2 minutes after wave 1) – Remaining teams.

Girls [B] Race 5:00 (Run 5, Score 4) – Top 5 teams from prior race

Followed by Wave 2 (2 minutes after wave 1) – Remaining teams

This is a 2210 meter course that runs through the Peyton High School property. The course is rolling hills of mostly dirt/sand/grass with no road crossings. We will provide a lead and drag bike for each race.

CHANGE #1: We will be changing the start line this year. We will start from the football field. Bus parking will be in the football field parking lot. Please do not go to the high school. Maps are attached. Parking will be much easier than previous years.

CHANGE #2: We will not be allowing spectators. Please help us by informing your parents now. If we have issues, we may not be able to support any more races this year.

CHANGE #3: Everyone (coaches, runners, etc) must be in a mask and socially distanced. Once the athletes get to the start line, they may remove their masks. They must be ready to put them back on at the conclusion of their wave.

Coaches meeting is at 4:15 sharp. Each runner will be given a wristband with an assigned number. There will be a sheet in your packet with the wristband designations. As the runner goes through the finish chute, they will be asked to give their number where we input the finishers into the computer for results. Please tell your runners not to take them off until their race is finished. **PLEASE ENTER YOUR RUNNERS BEFORE THE DEADLINE: September 20th at 8 PM MDT. We are capped at 50 runners per gender. We will not be able to add runners after the deadline.**

There will be bathrooms provided.

Cost of the race is \$50 per school. Please bring to the race on the day of the meet. Checks can be made out to Peyton High School.
