

Joe Suriano Memorial Invitational

Last Minute Notes:

Coaches,

Attached please find revised schedule (removing youth races and adult mile run) everything else has stayed the SAME!

Thank you for supporting this meet and the man who gave 50 yrs to so many students & student-athletes and even more years to West Orange Community!

Tents WILL be allowed in the top rows of the bleachers on both sides of the stadium.

Spectators WILL be allowed, there are markings around the fence line (silver spray paint) for them to social distance. We DO NOT encourage spectators to sit with teams in the stands.

Mask MUST be worn by spectators and student-athletes WHEN NOT WARMING UP OR COMPETING!

NO student-athletes are allowed on the main turf football field unless coming to receive their award!

WE WILL HAVE THE LOWER BAND TURN FIELD AVAILABLE FOR WARM UPS and there will be space available under the bleachers for after races (if athletes need to dry off post race)
The perimeter of the lower turf field can also be used for tent set up (against the fence)

Please be sure to take temp checks prior to leaving your school!

See you tomorrow - Rain or Shine!
