COVID-19 Information

Track & Field Specific Protocols

- **Invitational Meets may have no more than 8 total schools (to include both boys & girls) with only one level of competitors (Var/JV/9th) on site at a given time. Invitational meets could allow schools to bring both Varsity & JV athletes, but would be limited to 4 total schools in that scenario.**
 - **Each school shall be allowed a maximum of three contestants in each individual event. Only one relay team per school may be entered.**
 - **There may also be an additional 2 schools added to the 8 schools allowed if those 2 schools have no more than 6 participants.**
 - **NOTE: Meets which are limited to three or fewer schools, do not count as a meet for participants, provided there is no loss of school time.**
- **District Meets with more than 5 schools may only have one level of competitors (boys & girls) participating on site at a given time. Example: if Varsity Boys/Girls are running, JV would not be allowed on site with the varsity athletes. District Meets may exceed the 8 school limit if their district has more than 8 schools.**
 - **Districts with 5 or fewer schools may have both Varsity & JV divisions compete together on site.**
- **Additional information will be released at a later time concerning Regional and State Meets.**

Meet Considerations

Note: This is not an exhaustive list and additional steps may be necessary to help prevent the spread of virus. Even when taking all precautions, there will still be risk of transmitting illnesses. Everyone should stay vigilant about the health of members of their teams. Lastly, the situation with COVID-19 is rapidly changing. These considerations may quickly become outdated. Please keep up with the latest health officials in your county/local area.

General:

- **Social distancing of at least 6 feet should be maintained when possible. No hugging, shaking hands, or fist bumps for support/encouragement.**
- **Recommend that meet hosts have an area designated for spectators so that the competitors, coaches, and officials are always away from the spectators in the venue.**

- Recommend that each meet has a specific event and warm-up schedule to prevent large gatherings at a particular event.
- Recommend only using every other lane during lane events If possible.
- Recommend that competitors proceed immediately off the track and to a designated recovery location near the finish area where social distancing may take place. Competitors should also put their mask as as soon as they are done competing in their specific event.
- Recommend that there are designated camp locations for all teams that are a minimum of 25 feet apart from other team camps. If hosts allow, buses can be used as a camp location for teams if desired. Clean and disinfect frequently touched surfaces and exercise equipment.

Coaches:

- Communicate your guidelines in a clear manner to students and parents.
- Consider conducting workouts in “pods” of same students always training and rotating together in practice to ensure more limited exposure if someone develops an infection.

Officials:

- Bring personal hand sanitizer. Wash hands frequently
- Don't share equipment.
- Follow social distancing guidelines:
 - Pre and Post Meet conferences
 - Clerking at the start line
 - Tabulations and posting of results
- Consider using electronic whistle.
- Do not shake hands, and follow pre and post-game ceremony guidelines established by meet organizers.
- Official personnel should wear cloth face coverings at all times.
