**Here is a note from the Andale coaches concerning  
the Hammer throw event.**

Good afternoon,

I'm the throws coach at Andale and I wanted  
to let you know that Andale hosted a Div. 4  
hammer league exhibition at Andale the

night before the league meet the prior few years.

We will do the same this year again. I've checked with Mark Lentz at KSHSAA and he said it is perfectly acceptable to do so as long as the competitors honor it as one of their 4 allowed events.

I didn't figure there would be much participation league wide but it gives our kids who work hard in the hammer all year a chance to throw it at the end of the year. It obviously doesn't count for points or places but gives the kids a chance to get an official throw that is recognized on Milesplit, etc.

I would like to promote it further to all the league schools, please contact me (316-207-3028) if you are interested. We most likely will throw at approximately 4pm at Andale on Thursday, May 13th.

Thanks for your consideration and help on this!!!
