Coaches,

York Comprehensive High School is pleased to host the 2021 Upper-State AAAA Track and Field Qualifier. All athletes are to be dressed in appropriate school issued uniforms and spikes are to be ¼ inch pyramid spikes. The uniform rule will be enforced. Coaches please check your athlete's uniforms before they check in for their event. Let's be as preventative as possible **No tape will be allowed on the track**, we will provide tennis ball halves as markers.

We have a synthetic turf playing surface. Please remind your athletes that absolutely **NO FOOD, DRINK, CHEWING GUM, SUNFLOWER SEEDS, etc...** will be allowed inside the track area. Please also remind your athletes that no electronic devices will be allowed inside the track area. **When setting up your tents** at the stadium, we ask that you **only** put tents on the top row of bleachers on either the home or visitors side of the stadium. There is also a grassy area behind the visitors' bleachers along the gravel drive that may be used for tents as well. We will leave the bottom section of bleachers free of tents for easier viewing for the spectators.

We are going to need coaches to work and assist with events. Please see the assignments listed by region below. **Region directors should secure coaches from their regions to run the event assigned to them.** Please notify Coach John Boggs [jboggs@york.k12.sc.us](mailto:jboggs@york.k12.sc.us) ASAP with the names of the schools from each region that will be responsible for running the event.

Clipboards, pencils and tape measures will be provided. Please be on time for the start of your event. The meet will be timed electronically by Chad Mitchell (Mitchell Timing Inc). [mitchelltiming@gmail.com](mailto:mitchelltiming@gmail.com) With everyone working together, we hope to run an efficient meet.
