Parking & Venue Layout at the Piedmont Preserve

Parking is limited, so please carpool when possible. If your team will be arriving via bus, please contact me for instructions.

There are limited parking spots at the end of Winston Dr. (it dead ends into the course). Each team will receive 2–4 parking vouchers for this area—depending on the number of teams. This lot is also available for VIP donors, senior citizens and those with limited mobility.

There is also parking off of Paradise Blvd. on both a grass lot on the Preserve and in the Comprent Motorsports at 125 Paradise Blvd. parking lot (we schedule user of this lot for events when possible). Please call: 706.372.5661 with questions.
