2021 Sharon Kline Husky Cross Country Invitational

August 25th, 2021

Coaches,

This is the 8th Annual Sharon Kline Husky Invitational. The course is located behind Northwestern Elementary School. Our course traverses grass and trails through the woods, we will do our best to mark any roots or divots, but we recommend walking part of the course prior to competition. Spikes can be worn, as most of the trails are wood chips and dirt.

This year will again feature chip timing and will utilize Baumspage for entries, entries are due by June 23rd.

Changes can be made on the day of the event. Any additional questions or concerns may be directed to Anita-Journey Gifford, AD, 419-846-3833 or Brent Martin, nrws_bmartin@tccsa.net
