

* Regions with 4-6 teams will automatically advance 4, Regions with 7+ teams will automatically advance 5

** If there is a tie that would lead to more than 8 at-large bids being offered, none of those at-large bids will receive offers, making the field of competitors less than 24 for Upper/Lower or 16 for the State Championship

*** Based on qualifying rules, for 2020-2022, 1A Lower State will have 27 competitors per event

This format will require a split of the State Championship either into 2 separate dates or 2 locations if the format is adopted.
