

FIELD EVENT ASSIGNMENTS

2022 NEA JR. CONFERENCE TRACK MEET

High Jump (MARION & NETTLETON)

Needs: 1 Head Judge - handle clipboard and communication with athletes
 1 Assistant Judge - crowd control - also to help communicate with compititors
 2 Standard Attendants-Crossbar placement (*this could be students*)
 (Head Judge should oversee each standard adjustment to new heights etc.)

Triple Jump (JONESBORO HS & WM WEST)

Needs: 1 Head Judge - handle clipboard and communication with athletes-determine scratches etc.
 1 Marker --- this should be a coach - will determine where the athletes mark in the pit is.
 1 Tape Puller -- pull tape measure back to the board so the HEAD JUDGE can read it. (*This could possibly be a student*)
 1 Wind Guage Operator -- starts the Wind Guage each time an athlete begins their approach and give wind reading data to the Head Judge to record with each mark.

Long Jump (MACARTHUR & WONDER)

Needs: 1 Head Judge - handle clipboard and communication with athletes-determine scratches etc.
 1 Marker --- this should be a coach - will determine where the athletes mark in the pit is.
 1 Tape Puller -- pull tape measure back to the board so the HEAD JUDGE can read it. (*This could possibly be a student*)
 1 Wind Guage Operator -- starts the Wind Guage each time an athlete begins their approach and give wind reading data to the Head Judge to record with each mark.

Pole Vault (GREENE CO. TECH & ANNIE CAMP)

Needs: 1 Head Judge - handle clipboard and communication with athletes
 (Weigh in vaulters and verify legal poles)
 1 Assistant Judge - crowd control - also to help communicate with compititors
 2 Standard Attendants-standard adjustment (*this could be students*)
 2-3 Crossbar Attendants (reset crossbar onto the standards) (*this can be students*)
 (Head Judge should oversee each standard height adjustment to new heights etc.)

Discus (BATESVILLE & PARAGOULD)

Needs: 1 Head Judge - handle clipboard and communication with athletes-determine scratches etc.
 2 -3 Field Markers --- preferrably at least 1 coach to at least oversee this
 1 Tape Puller -- pull tape measure back to the ring so the HEAD JUDGE can read it. (*This could possibly be a student*)
 2 Shaggers -- return implements to the ring area (could be students)
 *** often throwers use their teammates as shaggers - this could work too
