

Race Day Coaches Information

Team Camps

Please use only the designated team areas – **see attached map.**

Packet Pick-Up

Pick Up your team packet by the finish line (**locate on the left side of road once you are in the park**)

Your team race numbers (**built in chip – no returns when meet is over**) – available once the timing company arrives

Remember: Race bibs for all your runners are to *be worn on the front of the jersey.*

Team packet will include race times, race sections, awards information, race starting boxes, maps

Post Race - Awards Distribution

For the 2022 season we will once again be announcing the results for each race, results will be live and we will place the awards in envelopes for the coaches to pick up after each race. Once the awards are packaged by the meet helpers, after results are official, the *packets may be picked up at the registration pick-up table in the finish line area.*

Please pick up your team & individual awards up prior to departing the meet.

Water Availability

Water will be available, on tables, after the race in the finish area for all athletes.

Athletic Trainer

Will be available in the finish line area for athletes.

Results

Finishtiming is where our results are initially posted. **Ohmilesplit** will pull the results from finishtiming. That may be quickly (the same day) or several days later. The Eaton Invitational meet director has no control over that process.

Results should be live on Saturday at the meet.
