## 2022 Eagle Cross Country Invitational

### Welcome

Hello everyone, and welcome to the annual Eagle Cross Country Invitational! My name is Joseph Kiss and I am an assistant in the Clay High School Athletic Department, I am also this year's race organizer. Prior to race day, please direct any and all questions or concerns my way. On race day, Roger Achter will be available to assist you and your team as the on-site director. We are so happy to host both you and your team at this year's event. I believe that this year we are offering a field of teams that will make for a fun, yet competitive race.

We hope this year's version of the Eagle Invite provides the competition level you seek. Furthermore, we hope that you continue to make the Eagle Invite part of your yearly schedule! If you have any questions or concerns leading up to the race, please feel free to let me know via email or phone. Again, I look forward to working with all of you to make this year's Eagle Invite a successful one!

Sincerely,

Joseph Kiss  
Assistant Director of Athletics

- Otsego

**OREGON  
CITY SCHOOLS**

- Stritch
- Toledo Christian
- Rogers

## **Registration**

**We are asking that entries be made by Friday, September 24th.**

Please enter all of your high school runners in the varsity varsity race, there will not be any open races this year.

Please use the following instructions to register your team for entry on “Milesplit”. Do NOT register for this event through Baumspage! Thank you!

1. Log into <https://oh.milesplit.com/>
2. Locate your upcoming meet by searching the Calendar at the top toolbar.
3. After clicking on the appropriate meet, select the green button to the right that says “Register Online Now”.
4. The next screen that pops up is “Getting Started”, this features general meet information and you should select “Next” at the bottom of the screen to move forward with entries.
5. Select your team that you are entering into the meet and click “Next” \*Note - If you have not claimed a team on Milesplit, there is an option on the screen to do so.
6. Select the Divisions you are entering athletes into. (Divisions are HS vs MS and Girls vs Boys)
7. The next screen is where you actually review and enter your entries. Click on “Add Entries” next to the appropriate division and it will take you to a screen that shows your roster to the right. Make selections from your roster on the right and click “Save Changes”.
8. The final screen should show you your confirmed entries and there is an option to view your entry confirmation to the right. It’s possible to review and confirm your entries to assure you’ve successfully entered your athletes.
9. Entries for the meet are now complete and you’re all set.

Please note, If you haven’t previously used Milesplit for entries, you may need to create an account, claim a team, or add your roster in. Assistance with all of these options can be found on the site. Approval for claiming a team is pretty quick by Admins, but I would not suggest waiting until the deadline to set up your account.
