

South Jersey XC Shootout Final Instructions

Hi coaches,

Here are final instructions. We are running the meet like a collegiate meet with bib chips and split mats so please read the final instructions so the meet goes smoothly.

1. We are using Bib Chips. Bibs must be pinned on the FRONT on ALL 4 CORNERS so there is not an issue with reading the bib when the athlete crosses the finish line. Also, do not let athletes fold the bib.

2. Return any UNUSED Bibs of athletes that did not compete. Only unused bibs should be returned. There will be a box on the table where you picked up your packet. Just drop any unused bibs in the box on your way out. Thanks.
3. **No changes will be made with the timer on race day.**
4. There will be an awards ceremony for each race on the awards stand when the timing gives the final results. Please ask you athlete to be present for the awards. No medals will be mailed.
5. There will be workers directing bus and car parking. When you enter the DREAM Park, your bus should take the access road to the left when you reach the ticket booth then a sharp right. Please do go through the main road as horses may be crossing. Please adhere to 5MPH SPEED LIMIT.

Looking forward to a great meet and tell your kids to bring their appetite because we are debuting Ringo's almost famous Jamaican Jerk Bacon.
