

SANTA FE INDIAN SCHOOL
JOHN GRIMLEY MEMORIAL INVITATIONAL CROSS-COUNTRY MEET
SATURDAY, OCTOBER 1ST, 2022

SITE: Santa Fe Indian School Campus at 1501 Cerrillos Road – Santa Fe, NM 87502

ENTRIES: Submit team entries on Milesplit.com. Please indicate race categories, Varsity boys, girls, JV, Etc. No entries will be accepted after 6:00pm Wed. Sep.28. Any problems listing your teams should be directed to Mr. Kevin Deswood or Coach L. Padilla. No entries will be taken by email, Fax or phone. No add ons or changes will be made on race day. Scratches may be made so that Bob can run for Joe.

FEES: There will be \$100 fee for H.S. and \$25 for participating Mid. Sch. teams. Make checks payable to SFIS Athletics. Entry fees are used to offset expenses for official timers, trophies and ribbons.

NOTE: Restrooms are located south side ground floor of the Pavilion as well as at the Baseball/Softball complex near the race starting line. Please no team camps on the football field and do not use any tent stakes on the baseball/softball fields. We will have a full concession stand and there will be a fee for spectators of \$5 for adults and \$3 for students. We do not have any mandatory COVID restrictions but masks and social distancing is recommended.

Yá'át'ééh

Established in 2018 - *Greg Wayne ~ Event Management, LLC* is dedicated to providing fully-automatic-timing and data management services for small-medium sized cross-country and track & field meets in the *Four Corners*.

You may know me from my days at Monument Valley (AZ) providing similar services as a school-based enterprise while serving as the athletic director, coaching, alternative school coordinator, and math teacher (1992 – 2017). When I retired, I turned in all my equipment thinking my days as a timer were over and opted to *double-dip* and teach in Utah. However, along the way – several coaches and athletic directors urged me to continue providing services for their athletic events. I even did a brief stint with *FinishedResults*.

My experience is extensive:

- FAT operator -- 20 years and over 200 meets – including NAU (5 Big Sky meets), ASU, UNLV, GCC
- AIA state wrestling and track & field meet director (2001 – 2010)
- Served seven years as an athletic director
- AIA certified track & field and cross-country officials
- University of Arizona Track & Field and Cross-Country teams (1978-1983)
- 1986 NCAA Cross-Country Championships organizing committee
- Coached 19 state champions, 11 region championship teams, 1 state championship team

Please note that I am entering my fourth-year teaching math full-time at Shonto Prep. Thus, my opportunities to work school-day/contract-day meets are limited.

My fee schedule – which is negotiable and contingent upon the school's needs and budget, as well as IRS and LEA regulations. Nevertheless, the fee schedule starts at \$200 per day + operational expenses.

Please visit my website – www.gregwayneeventmanagement.com – or contact me directly at 928-380-7020 or gw86033@gmail.com with any comments, questions, or concerns.
