Please make checks payable to Fair Grove High School.

Schedule:

The races will roll after the first race and may start sooner depending on how quickly the races finish. Tell parents to be prepared to be there 20-30 minutes before the scheduled time to ensure they will be there for the start of the race. We are planning to combine the JV and Varsity races as of now, but this might change depending on registration numbers.

3:30 p.m. - Coaches Meeting by Finish Line Tent

4:00 - Middle School Boys and Girls Combined Race (1.5 Miles)

4:30 - High School Girls Race

5:15 - High School Boys Race

Medals

The top 10 in each of the Middle School and High School races will receive a medal and the top 5 in both JV races will receive a medal. The first place team in each race (except JV) will receive a team award. (If we have more registered this year we may bump this number up to 15 for each race and 10 for the JV races) I will keep you posted with updates as they happen.

Tents can be set up on the west side of the creek along the sidewalk leading to the concession stand, between both baseball fields.

Bathrooms will be on either side of the concession stand.

Parking

Buses will enter the Fair Grove District Park North Entrance and park in the gravel parking lot. Spectators will enter the park through the South Entrance and park in the paved parking lot.

If you have any questions please reach out and contact me. Thank you and I look forward to seeing you on September 8th!

Schools will be responsible for bringing their own water. We will have water for emergency purposes but it will not be available to all runners after the race.

Text or email me if you have any other questions!
