Bus & Spectator Parking

BUSSES - Busses will again park across the street this year after dropoff. Please enter the course from **High Street** and pull down as far as you can to unload your team. Then your bus can exit the course and go straight across the street to park. When leaving, please have your bus pick you up the same way. Once races begin, the road will be blocked to make sure cars don't come down that path. If you are in a school van instead of a bus, please follow the spectator's guidelines.

SPECTATORS – If they park in the east field, please have them enter *and* exit on **High Street**. This is to make sure cars are not driving across the race paths while races are going on.
