rmckinney@eaton.k12.oh.us or 937-533-3207(cell)

Coaches Information

- 1.) Registration will be on [ohmilesplit](http://ohmilesplit.com) by 9:00 pm on Sunday – October 5, 2025.
- 2.) Results will be live the night of the meet. Results will be posted on www.ohmilesplit.com
- 3.) If you have any questions race day - see Coach McKinney/Coach Flynn.
- 4.) Race day specific information – see below.

Spectator Parking

No spectator parking or admission fee for this meet.

All parking will be at Fort St. Clair Park.

Do not park in the cemetery across from the Ft. St. Clair Park.

Some parking is available by the start/finish line area, but the majority of the parking is available at the lower section of the park (just follow the road around) with an easy walk back up to the top area of the park where the start/finish lines are located. The meet size is smaller than our other two larger invitational races so there should be plenty of parking available in Fort St. Clair Park.

The road in Fort St. Clair Park is a One Way road – spectators and school vans or busses must enter through the entrance gate and exit through the exit gate only.

Bus / School Van Parking

All bus and school van parking will be in the lower section of Fort St. Clair Park. Drop athletes off in the upper section of Fort St. Clair when you arrive then your driver should drive around the park road and park in the lower section of the park.

Team Packet Pick-Up / Race Numbers

Packets may be picked up by the finish line when you arrive. Each athlete should wear the correct assigned number on the front of the uniform jersey. If you are missing a race (bib) number for any athlete see the clerk at the finish line registration /packet pick-up area before the race begins to obtain a number for that athlete.

Team Camps

Will be in the area immediately to the left, across from the finish line, once you enter the park.

Concession Stand

The Eaton Cross Country parents will have a concession stand available at the park.
