

Please keep clear of the flagged/barricaded area near the finish line... **Including coaches!**

We will check in for all races at the white Brother Martin tent. Please remind your athletes to report on time to ensure that we run the meet on schedule. I am including a detailed time schedule and heat sheets.

Please share heats/lanes with your athletes prior to checking in. That is your responsibility!

**THE CLERK IS NOT THE HELP DESK!**

We will not hold up the meet and wait for your athletes.
