### Head Coaches!

-Welcome to the 2025 Kiwanis Titan Relays. Please make sure to share your feedback/suggestions with me.

-We will be hosting this event @ Baldwin Wallace University's Finnie Stadium.

This is a wonderful facility, with an amazing, **NEW** MONDO track...making it the fastest track in Ohio. The MONDO surface is an extremely expensive surface, and BW rightfully seeks to take great care of the track. Absolutely NO CHALK will be permitted. Officials will be informed to not allow the use of chalk anywhere, so please bring tape (which should be removed when finished, tennis balls, or other temporary spotting items that won't damage the track and other Mondo surface areas. Thank you!

-BW asks that we stay off the field as much as possible. There are to be no team camps on the field or in the grassy area on the SW or SE ends, or in the stands on the Press Box side, between the finish line & the press box. *The **East** side stands are open to all. **Over the years, we've tried to be a very Coach & Athlete friendly meet.** We do ask that you have your athletes listen to the announcements and officials. \*\*No spectators are permitted on the field at any time. Please keep fans & parents off the infield.*

Additionally, in order to operate the meet as smoothly as possible, we ask that you follow these guidelines:

- 1) Athletes warming up should stay near the bullpen area (**north end of the stadium**). Please tell your athletes to report on time (early is best!).
- 2) Upon completion of their event, athletes should gather their warm-ups, etc. & proceed back to their team camp.
- 3) We ask that athletes not loiter on the field nor interfere with the proceedings. Be cognizant of what is going on around you; do not cross the track during events, and no running alongside teammates. (That can get your team disqualified.) **Please have your athletes** (non-racing) **stay away from the finish line during races.** Enthusiasm & support are good, but temper it with common sense & composure.
- 4) You will make all **changes in field events** at the **event area**. It will help the officials/judge if changes are made at least 15 minutes prior to the start of the event (not just your flight, but the event starting time). Please let the judge know if you do not have a team entered today. **Please have your Pole Vault Certification card filled out & turned in to the official working the pole vault before the event begins.**
- 5) We will use the standard, 8 place scoring system (10-8-6-5-4-3-2-1) Event winners will receive a Berea Kiwanis Titans Relays T-shirt , while 2-8<sup>th</sup> placers will receive ribbons.

- 6) **¼" pyramid spikes only** on the track; 1/8<sup>th</sup> for the POLE VAULT RUNWAY.
- 7) Exchange zones may be marked with tennis balls only (no tape or chalk).
- 8) Shot Put & Discus ***Weigh-ins for implements will be from 12:00 to 12:50, located at a table/tent by the throws area @ the Fairgrounds.***
- 9) Long jump will be OPEN PIT again this year. We will run a boys pit & a girls pit at the same time. Jumpers should get their steps marked prior to the 1:30\* start of the event. Jumpers will be permitted to take all four jumps in succession if they are competing in another field event. Athletes must inform the event official if they are competing in another field event prior to the start of competition.
- 10) In the high jump, the bar will be held for 5 minutes only. The same is true for the pole vault, with the bar being raised to the next height after the 5 minute hold & cannot be lowered.
- 11) There will be "hospitality food" for coaches & officials (only) after 4:30. The set-up/location will be at the North-West end of the stadium. Please listen for announcements regarding the hospitality set-up on the day of the meet.
- 12) There will be team plaques for the winning girls & boys team, plus a combined score co-ed plaque to the school with the highest combined score.
- 13) Please feel free to call me or text me @ 216-906-2087, or email me at [jankowskimicha1193@att.net](mailto:jankowskimicha1193@att.net).
- 14) Please check back on the Milesplit site/link for updated information, especially regarding bus parking, spectator parking, directions to the Fairgrounds throwing area, & any changes that might occur.

We look forward to seeing you on a sunny May 2nd...
