

6-WAY BORDER BATTLE

AT THE CENTRE COLLEGE FIELDHOUSE, DANVILLE, KY

SAT., JAN. 17, 2026

MEET INFORMATION

General Athlete / Coach Information:

- Clerking will be at the clerking area at the southwest corner of the infield (scoreboard).
- The stands are reserved for spectators. No team camps should be set up in the stands.
- The team "Tent City" will be an area in the southeast part of the infield (homestretch)
- There will be a *spike check at check in*. There is a ¼" spike maximum (no Christmas tree or needle spikes). Only pyramid spikes may be used. Coaches, since this probably your first indoor meet, make sure that your endurance runners have pulled out their longer spikes (e.g., 3/8") and replaced them with ¼". If an athlete is found to have unacceptable spikes, they will not be issued a hip number until the spikes are rectified.
- ***No food, drink (other than water), or gum are allowed on the turf field or on the track area. If athletes want to eat or drink something they can do it in the reception area (hall) of Champions Hall.***
- The warmup area will be on the turf infield in an area along the backstretch. Athletes can also warm up outside on the all-weather outdoor track.
- Athletes will enter the Fieldhouse from the east side entrance (see facility layout map).
- **Implement inspection will be from 10:15 to 10:40** at the shot-put area. Any implements that do not meet both the weight and gauge requirements will be impounded. Impounded implements may be recovered from the Meet Director at the conclusion of all field events.
- There will be a Coaches meeting at the finish line at 10:30. Teams (coaches) will be assigned to help with the various events (e.g., pull tape, rake pits, carry back implements, etc.). The Centre College Track Team has been so kind as to help us run this meet. Centre Coaches will manage the field events, and their athletes will help out. Teams just need to assist the Centre coach who is the head event judge for a particular field event. We will also assign schools to monitor the exchange zones.
- Athletes may not compete in more than four events (including relays).
- The track will be open for warmups from 9:30 AM to 11:00 AM. After that, athletes must use the designated warmup area or warmup outside.
- Marks for relay exchanges and jumps may only be made with removable tape (i.e., no chalk or ½ tennis balls).
- Field event competitors will have three attempts with no finals.

- The starting heights in the vertical jumps will be:
 - High jump – 4-0 (since boys and girls are jumping together, boys can come in at any height)
 - Pole vault – 6-0 (since boys and girls are jumping together, boys can come in at any height)
- The Meet Director reserves the right to implement a “minimum mark” in the throws and horizontal jumps based on the number of competitors. Each competitor will get one measured mark. Then they must meet the minimum mark to be measured. The minimum marks, if used, will be:
 - Shot put – girls 20-0 and boys 30-0
 - Long jump – girls 12-0 and boys 15-0
 - Triple jump – girls 25-0 and boys 35-0
- Coaches can be on the track during the field events in designated *coaches’ boxes*. Electronics involving playing back of video of an athlete’s attempt must be done in the coaches’ box or outside the event venue.
