

BA Twilight 2026

Broken Arrow High School

Friday May 1st, 2026

As this season comes closer to the post season we welcome coaches and athletes an opportunity to run under the lights while taking advantage of a reduced event schedule. We are trying to keep the number of teams low so that the meet does not run too long into the night. (4 team limit) Please reach out if you would like to attend asap as we will not exceed this number of teams.

Entry Fee: \$75 for each boys and girls team, or \$150 for both teams. Make checks payable to Broken Arrow Public Schools.

Divisions: There will be (2) divisions; varsity boys and varsity girls. No team scores only individual awards.

Time: We will try to send out any important information in order to avoid having a coaches meeting. We will start our field events at 5pm while all track events will start at 7pm. Our hope is to allow field event athletes to have less of a burden going back and forth from event to event during the competition.

Limitations: The entries will be limited to 3 athletes per event for visiting teams.

Awards: We will medal the top 3 finishers in all events.

Please feel free to contact me with any questions:

Head Boys Track Coordinator
