COURSE

Located at 1673 S US-68. Our course is very flat (less than 100 ft elevation change). HS runners will run an approximately 1/2 mile stretch of the course twice due to some looping, but in general running one large loop of the perimeter of the school property. It is all open, grassy fields, no woods or trail running. No paved roads to cross, but runners will cross a dirt/rocky road in at least three places. Spectators will be able to easily view the first 1/2 mile and most of the final mile of the race.
