There is a maximum of 3 athletes per event, with a maximum of 4 events per athlete. Medals will be given to the top 8 finishers of each event, and an overall Boys and Girls team champion plaque will be awarded.

We are using <http://pa.milesplit.com> for athlete entry.

Deadline for entries is Thursday April 16, 2026 – 3pm.

This is a NO ALTERNATE meet. If you scratch an athlete, you cannot add a new athlete to replace them. Only exceptions are relays - you may run an alternate. Athletes should use ¼" pyramid spikes in their shoes – the same spike required for the District 10 AA/AAA Championship Meet at Slippery Rock University.

A follow up e-mail will be sent to all participating teams with more details.

Thank you,

Kathy Brewer, Head Track Coach
