

Parking Instructions:

- **Buses:** Please park on the caliche road on the left as you drive off the small hill. This area is marked as "Bus Parking" on the course map.
- **Spectators:** Parking will be available outside the campus on 311. Please ignore any "No Parking" signs. Parking on school grounds is only permitted if you plan to stay until the final race. Traffic during races is not allowed. Please ensure parents understand the importance of parking outside the campus.

Team Tents:

- Setup will be behind the starting line.

Facilities:

- **Bathrooms:** Available near the finish line.
- **Hospitality Area for Coaches:** Located in the weight room across from the football field, under the main gym.

Medical & Safety:

- **Trainer:** A trainer will be on-site, positioned under a tent in the end zone of the football field.
- **Course Safety:** The course is a mix of grass and asphalt, with grass areas containing exposed roots and loose rocks. Please take care while running.

Event Management:

- The front gate will remain closed until the conclusion of the meet to ensure the safety of all participants.
- A gator will lead each race, and course marshals will be present throughout to cheer on athletes and assist with directions.
- The starting line will have designated slots for each school.

Course Marking:

- The course will be clearly marked with flags and cones to help athletes remain on track.

Water Availability:

- **Finish Line:** Bottled water will be provided for athletes.
- **Starting Line:** A water cow will be available.

Awards:

- Team championship plaques will be awarded after point totals are calculated.
- The top 10 for each individual race will receive a medal.

Course Guidelines:

- We encourage all runners to complete the 2-mile course in under 25 minutes to help keep the meet running on schedule.
- Please remind runners, parents, and spectators to remain off the course during all races for safety and fairness.
