Dear Athletic Directors and Coaches,

We are pleased to invite you to the 2026 Skyhawk Invitational on Saturday, September 26, 2026. The course is 3.1 miles for JV and Varsity and approx 1.5 miles for Middle School. Our course travels across some beautiful mesas, but is also rough terrain, please plan accordingly. We will be using a timer for our meet which is reflected in the increased cost for our meet.

We will have concessions available to spectators and athletes during the event. We will also have hospitality for coaches and bus drivers.

Meet fee will be \$100.00 per school (\$50.00 if you are only bringing one team-one girls or one boys). Middle School teams will be \$75.00 per school. I have attached a quote and an invoice for your convenience, I know some schools need both. Middle School is highlighted blue and high school is highlighted green.

Please make payment to: **Newcomb High School**
