*The 5K Course's direction, laps, and start/finish design are essentially the same as the previous course. We altered the start to merge to the right instead of the left and added an inner loop of approximately 800m. You will notice the layout to be mostly identical after those changes.

*The 3k Course follows Loop 1 completely (approx. 2200m) and then turns off of the loop and curves to the Finish Loop along the straightaway at the ★
